

AURORA | 360

Experience the Northern Lights Like Never Before on Board a Private 737 Jet

Consulta Meta I.M. inc. announces the return of the exclusive **Aurora | 360 Experience**, Canada's Ultimate Aurora Viewing Tour

WHITEHORSE, YT, Oct. 31st, 2021 / - Consulta Meta I.M. has officially announced the launch of the **Aurora | 360 Experience - 2022 Edition**, the most exciting way to see the Northern Lights. This exclusive opportunity offers Guests a once-in-a-lifetime chance to enjoy the Northern Lights by private-chartered 737 jet for unrivaled, eye level Northern Lights viewing. It's the only flight in the world to take off aiming at the Auroral Oval, offering the chance for Aurora viewing shortly after take-off.

The full **Aurora | 360 Experience** is February 17th to 21st, 2022, with the flight scheduled to take-off either February 18th or 19th (the flight date will be chosen a few days earlier based on Aurora forecasts). The five-day package not only offers serious bragging rights, but will provide high-altitude views of the spectacular Aurora in the Yukon sky combined with unique culinary components, industry leading guest speakers, cultural events, optional day tours and more. With only 70 seats available, the **Aurora | 360 Experience** gives passengers the unique opportunity to fly above the clouds, and witness the Aurora Borealis closer than ever before. As part of the package the passengers get to learn more about the Aurora Borealis from renown guest speakers including Pierre Paquette (Astronomy Ambassador of The Royal Astronomical Society of Canada).

"The Aurora Borealis is truly one of the world's greatest celestial phenomena, and we are proud to offer this unparalleled experience," says Anthony Gucciardo, Owner and President of Consulta Meta I.M. "It's a bucket list worthy moment you'll never forget. We can't wait to get airborne!"

The world is gradually coming out from a pandemic that changed (is changing) travel and tourism, so we needed to adapt to a new reality. There **Aurora | 360 Experience** is renewed, more accessible, and filled with the spirit of the Yukon.

1. **Aurora | 360 Experience**: Includes the flight to the Auroras, all ground transportation, 4 nights double occupancy accommodation in Whitehorse, 4 breakfasts, 3 distinctive Yukon-flare dinners, cultural/theme activities, a guided tour of Yukon Wildlife Preserve and much more (see details in the website), all for just \$3,199 CAD (plus tax) per person.
2. We are introducing a **Family Package** providing a memorable **Experience** for 2 adults and 2 children for only \$8,400 CAD (plus tax), allotting them a complete row of the aircraft.

Consulta Meta I.M. has taken a customer-oriented effort to offer the Experience at lower cost.
